Category 3 Material Notarized Form

(APHIS Approval Number: VA-PF0-0067**)**

This serves to inform officials of the United States Department of Agriculture's Animal and Plant Health Inspection Service that ABC Pet Food, Inc. (facility's name); located at 1221 Alphabet Road, Staunton, VA,22446

(facility's street address, including City, State, and Zip Code): this facility **either**:

___ only manufactures products/ingredients from animal origin materials included on this notarized form

OR

___ only manufactures products/ingredients destined for export to the European Union from animal origin materials included on this notarized form and has in place a Separation Protocol

For each supplier list Supplier Name, City & State, Material being supplied (species & form), Approving Agency, and Approval Number (check all that apply and either list suppliers and required information in the area provided or reference an attachment).

_X_ A. Parts of slaughtered animals that have passed post mortem inspection (or poultry heads, feet, or intestines that have not passed post mortem inspection) at Food Safety and Inspection Service (FSIS)-approved or State-approved slaughter plants. See attachment A.

____ B. Hides, skins, hooves, horns, pig bristles, or feathers from animals that have passed ante-mortem inspection at Food Safety and Inspection Service (FSIS)-approved or State-approved slaughter plants.

_X_ C. Blood from non-ruminant animals that have passed ante-mortem inspection at Food Safety and Inspection Service (FSIS)-approved or State-approved slaughter plants. See attachment A.

____ D. Blood from ruminant animals that have passed post-mortem inspection at Food Safety and Inspection Service (FSIS)-approved or State-approved slaughter plants.

____ E. Animal by-products derived from the production of products fit for human consumption.

____ F. Raw milk or milk products.

____ G. Fresh caught fish or other sea animals (except mammals)

____ H. Fishmeal (from National Marine Fisheries Service or APHIS approved facilities) and other fish products.

____ I. Eggs and egg-byproducts from facilities approved by APHIS, AMS, FSIS, or State agency.

_X_ J. Meals (other than fish meal) from rendering facilities approved by APHIS to export meals to the European Union. Raunchy Rendering, Richmond, VA, APHIS number VA-RA0-0099: pork MBM and chicken MBM

_X_ K. Only the following materials from facilities approved by APHIS to export to the EU. Yogi's Yummies, Fredericksburg, VA, APHIS number VA-DI0-0086: spray dried chicken liver (flavoring innard)

This notarized form further certifies that these Categories 3 Materials are not commingled with any ineligible materials, such as Category 1 Material, Category 2 Material, or other animal origin materials (other than vitamins or amino acids) that are not noted on this form. To ensure that product produced for export to the EU has not been commingled with any materials not listed on this form, this facility (check one of the below options):

_____ Does not receive, store, or process any Category 1, Category 2, or other ineligible materials; OR
____ Utilizes a **Separation Protocol** as described in the "Small Entities Compliance Guide for Renderers, FDA Guidance to Industry 67"; OR
____ Utilizes a **Clean-out Protocol** as described in the "Small Entities Compliance Guide for Renderers, FDA Guidance to Industry 67"; OR
____ Utilizes a **Separation and Clean-out Protocol** as described in the "Small Entities Compliance Guide for Renderers, FDA Guidance to Industry 67."

I certify that the statements listed above are true to the best of my knowledge and belief.
