EXPORT CERTIFICATE  
ANIMAL PRODUCTS**

PORT Norfolk

DATE  
AND NO.

This certificate is for Veterinary purposes only. It is valid for 30 days after the date of signature (in the case of transport by ship or rail, the time is prolonged by the time of the voyage).

This is to certify that rinderpest, foot-and-mouth disease, classical swine fever, swine vesicular disease, African swine fever, and contagious bovine pleuropneumonia do not exist in the United States of America.

**ADDITIONAL DECLARATION**

Texas is free of Lumpy skin disease.

This office has on file a notarized affidavit from Jimmy Joe's Pet Delights verifying the accuracy of the statements below.

Certified materials contain no ingredients derived from any ruminants. Certified materials are not likely to contain harmful levels of dioxins or radioactivity. Materials were heated to a minimum internal temperature of 90°C. Certified materials are labeled "dog food." Materials are fit for animal consumption. The production facility is located in Texas. The product is produced at a facility operating under a system of rules and regulations in place in the United States governing the production of pet food.
