

Good afternoon!

Welcome to Veterinary Services' Approved Animal Product Export Facility Search Engine. The information provided through our Search engine shows records entered up to Thu Dec 15 15:38:46 GMT-0500 (Eastern Standard Time) 2005.

Please enter one or more of the following: EU status, approval number, facility name, state, product description, and/or species that you would like to search for in the respective box below and click the "SEARCH" button. Use % as a wildcard character. For example, entering acme% in the "Facility Name" box and pressing "SEARCH" will return all facilities whose names start with ACME. Note: This application is not case sensitive!
