

**PERMIT CONDITIONS**

THIS PERMIT AUTHORIZES THE IMPORTATION OF THE FOLLOWING POSTENTRY GENERA.

1. All plant material will be grown on premises supervised and controlled by me, located as specified in the Growing Locations section, and will not be moved or distributed without prior written permission of the appropriate State or Territory Official and (except Hawaii, Guam, & CNMI) the Coordinator, Postentry Quarantine Program, Beltsville, MD.
2. Properly identified officers, either Federal and/or State, will be given access to the premises listed in the Growing Locations section during regular business hours.
3. No increase of these plants by cuttings, grafting, suckers, flowers, seeds or air layers will be made; there will be no distribution of the plants or increase; and no cutting of flowers for sale will be made until the plants are released from postentry quarantine, or written permission of the (as in the first condition above).
4. The plant material and all increase there from will be labeled by specific plant name, port accession number, and date of importation.
5. The plant material will be separated from domestic stock of the same genus including such stock on adjoining premises, by no less than 3 meters (approximately 10 feet); and will be separated from other imported plants by the same distance.
6. Any treatments prescribed by the officer including destruction of the quarantined plant material or other plants growing on the premises will be complied with to prevent the dissemination of a plant pest.
7. The appropriate State or Territory Official will be notified in writing within 30 days when any abnormality is noticed in the plant material or if the plant material dies. Dead plants will be retained and collected by the officer for analysis.
8. Notification of change of address will be sent to the appropriate State or Territory Official and (except Hawaii, Guam, and CNMI) the Coordinator, Postentry Quarantine Program, Beltsville, MD.
9. Plants of *Rubus* spp. from Europe will be grown in a screenhouse (16 mesh per inch minimum); plants of *Chrysanthemum* spp. and *Dianthus* spp. will be grown in a greenhouse or other enclosed building.
10. The postentry requirements will be applied to *Chrysanthemum* spp. for 6 months after importation, to *Dianthus* spp. for 1 year after importation, and to all other plants for 2 years after importation.
