Various States	Various	Any State Phytosanitary Certificate
Various States/ Counties	State/County Inspection Report	Any State/County Inspection Report
Foreign NPPOs ³	Various	Phytosanitary certificates and phytosanitary certificates for reexport
Accredited entities	Various	Various forms ⁴

1 When FGIS Form 921-2 is used as the basis for issuing an export certificate, the applicant or GIPSA inspector **must** contact a local ACO to identify the phytosanitary import requirements in preparation for the GIPSA inspection.

2 Contact the field office responsible for the geographic area in which the service will be provided. For further information on FGIS Form 921-2, contact Branch Chief, Policies and Procedures Branch, Field Management Division, 1400 Independence Avenue, SW, Room 2409 N, Washington, DC 20250-3630, Telephone: (202) 720-0224, Fax: (202) 720-1015, Email: robert.s.lijewski@usda.gov

3 Forms issued by foreign NPPOs are **only** applicable to PPQ Form 579. Additional inspection may be necessary if the commodity has **not** been safeguarded. If the exporter has the original or a photocopy of the foreign phytosanitary certificate, enter the number of the foreign certificate, check whether the certificate is the original or a certified true copy, stamp the foreign phytosanitary certificate with an ink stamp that references your affiliation ("USDA," "County of _____," or "State of _____", and sign and date the foreign phytosanitary certificate next to your stamp. See **PPQ Form 579, Phytosanitary Certificate for Reexport** on **page 3-5-10**.

4 ACOs must ensure that the company's accreditation is recognized by PPQ for that activity.
