

The XPM's Acceptable Inspection Certificates and Documents table states:

If the Issuing Agency/Organization is the Agricultural Marketing Service (AMS), and the Form Number is FV 146, then the form title and notes are: Certificate of Quality and Condition (Processed Foods).

If the Issuing Agency/Organization is the Agricultural Marketing Service (AMS), and the Form Number is FV 147, then the form title and notes are: Certificate of Quality and Condition (Processed Foods) Quality Assurance.

If the Issuing Agency/Organization is the Agricultural Marketing Service (AMS), and the Form Number is FV 149, then the form title and notes are: Certificate of Quality and Condition (Processed Foods) Continuous Inspection.

If the Issuing Agency/Organization is the Agricultural Marketing Service (AMS), and the Form Number is FV 294, then the form title and notes are: Report on Sanitary Inspection (issued for apples, pears, emperor grapes, and some vegetables).

If the Issuing Agency/Organization is the Federal Grain Inspection Service (FGIS), and the Form Number is FGIS 921-2 (01-07), then the form title and notes are: Inspection Report-Insects in Grain.

Note:

- 1) When FGIS Form 921-2 is used as the basis for issuing an export certificate, the applicant or GIPSA inspector **must** contact a local ACO to identify the phytosanitary import requirements in preparation for the GIPSA inspection.
- 2) Contact the field office responsible for the geographic area in which the service will be provided. For further information on FGIS Form 921-2, contact Branch Chief, Policies and Procedures Branch, Field Management Division, 1400 Independence Avenue, SW, Room 2409 N, Washington, DC 20250-3630, Telephone: (202) 720-0224, Fax: (202) 720-1015, Email: robert.s.lijewski@usda.gov

If the Issuing Agency/Organization is Florida, and the Form Number is FV 185-C, then the form title and notes are: Florida Export Citrus Fruit Inspection Report.

If the Issuing Agency/Organization is Various States, and the Form Number is Various, then the form title and notes are: Any State Phytosanitary Certificate

If the Issuing Agency/Organization is Various States/Counties, and the Form Number is State/County Inspection Report, then the form title and notes are: Any State/County Inspection Report

If the Issuing Agency/Organization is Foreign NPPOs (Forms issued by foreign NPPOs are **only** applicable to PPQ Form 579. Additional inspection may be necessary if the commodity has **not** been safeguarded. If the exporter has the original or a photocopy of the foreign phytosanitary certificate, enter the number of the foreign certificate, check whether the certificate is the original or a certified true copy, stamp the foreign phytosanitary certificate with an ink stamp that references your affiliation ("USDA," "County of _____," or "State of _____", and sign and date the foreign phytosanitary certificate next to your stamp. See **PPQ Form 579, Phytosanitary Certificate for Reexport on page 3-5-10.**), and the Form Number is Various, then the form title and notes are: Phytosanitary certificates and phytosanitary certificates for reexport.

If the Issuing Agency/Organization is Accredited entities, and the Form Number is Various, then the form title and notes are: Various Forms (ACOs must ensure that the company's accreditation is recognized by PPQ for that activity)
