

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0579-0256. The time required to complete this information collection is estimated to average .5 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

OMB Approved
0579-0256

UNITED STATES DEPARTMENT OF AGRICULTURE
ANIMAL AND PLANT HEALTH INSPECTION SERVICE

**EXPORT CERTIFICATE FOR
ANIMAL PRODUCTS**

Port:

Port Elizabeth, NJ

FOR OFFICIAL USE ONLY

Date:

January 5, 2009

Certificate Number:

NJ090212

Page 1 of 2

This certificate is for veterinary purposes only. It is valid for 30 days after the date of signature (*in the case of transport by ship or rail, the time is prolonged by the time of the voyage*).

This is to certify that rinderpest, foot-and-mouth disease, classical swine fever, swine vesicular disease, African swine fever, and contagious bovine pleuropneumonia do not exist in the United States of America.

ADDITIONAL DECLARATIONS

1. All animal derived material (other than dairy, egg or fish products, or products of Australian or New Zealand origin) was derived from animals which were subjected to ante- and post-mortem veterinary inspection and were found to be free from contagious and infectious disease.
2. The final product manufacturing facility (Fido's Yummies Inc., 5069 Yummy Lane, Delicious, NJ 44899, USA) has been inspected by APHIS within the last 2 years.
3. The only bovine material contained in the product is skim milk and whey sourced from the United States of America.
4. The ovine derived material contained in the product originates from Australia and/or New Zealand only.
5. The product does not contain any caprine or cervid material.
6. I have read the attached manufacturer's statement and have no reason to doubt its truthfulness.

Manufacturer's Declaration

1. The species of animals and the country of origin of all possible animal derived materials used in the uncoated kibble is as follows:
 - Avian ingredients (including egg) sourced from the United States of America
 - Bovine derived skim milk sourced from the United States of America
 - Glucosamine hydrochloride derived from crustaceans sourced from the United States of America
 - Non-salmonid finfish material sourced from the United States of America
 - Ovine derived materials sourced from Australia and New Zealand
 - Porcine ingredients sourced from the United States of America
 - Salmonid finfish material sourced from the United States of America
2. All animal derived material used in the kibble has been heat treated to a minimum core temperature of 100C for at least 30 minutes.
3. The kibble was then coated using coatings/flavors as described below.
4. The species of animals and country of origin of all possible animal derived material used in the coatings is as follows:
 - Avian ingredients sourced from the United States
 - Bovine derived whey sourced from the United States of America
 - Porcine ingredients sourced from the United States of America.
5. All animal derived material used in the coatings has been heat treated to a minimum core temperature of 100C for at least 30 minutes.
6. The final product does not require refrigeration.

I am the president of Fido's Yummies, Inc. and am authorized to represent the company in this manner.

I certify that the statements listed above are true to the best of my knowledge and belief.
