This office has on file a notarized affidavit from Pet Foods Delights verifying the accuracy of the statements below:

The pet food is freely sold in the United States. Heat treatment and processing time of the product was 290 degrees F for 20 minutes.

The chicken and beef raw materials were collected from animals slaughtered under a system of rules and regulations in place in the United States, or were legally imported into the United States.

The beef materials are derived from bovine of U.S. origin that were raised in the USA. The pet food product is U.S. origin.

The treatment process is sufficient for inactivation of any potential animal and/or human pathogens.

The undersigned guarantees that the commodity is not mislabeled.

The product was produced in the United States in facilities inspected and approved by USDA.

I certify that the statements listed above are true to the best of my knowledge and belief.
