  - a. Note: Pop-up blockers must be disabled and Java must be enabled. Click the Run or Continue button if a Security Warning page appears.
  - b. Once you click Enter, you will be granted a Rosetta Stone license and access to the Rosetta Stone portal.

**ABOUT YOUR PROGRAM:**

The Rosetta Stone course is your opportunity to learn a new language. The course is divided into Levels, which contain 4 Units of study. Within each Unit, there are 4 core lessons which you will complete to learn new vocabulary and language structure that feature the unique Rosetta Stone learning method.

To view what is taught in each lesson of the program, please view the article linked [HERE](#). If you'd like to view the specific vocabulary taught in the lessons, please view the Course Contents article linked [HERE](#). For more information, please view the short video overview [HERE](#).

**MOBILE APPS:**

Rosetta Stone's apps for iPad, and Android tablets and smartphones are a great way to practice your new language on-the-go.

- The [Rosetta Course](#) app mirrors your experience in Rosetta Course, giving you access to all of the activities available in Rosetta Course except writing and review activities. Your progress syncs with your computer so you can pick up right where you left off!
  - o Once the app is installed on your device, follow these steps to sign in:
    - To sign into this app, you will need to launch the browser on your device and sign into AgLearn.
    - Once you've signed into AgLearn, launch the Rosetta Stone program which will redirect you to the application.
