## *School Has Begun...Get to the Top of the Class with AgLearn*

Whether you are a parent of a school-aged child, a mid-career student yourself, or thinking of getting higher education, AgLearn has great books to ease the transition back to the classroom. Check out these suggestions and if you want more, just search for "education" in Books 24X7 to tap into the full library of topics.

### **Holding Schools Accountable: A Handbook for Educators and Parents**

Exploring the varied contours of the educational accountability movement that has swept the United States, this informative book provides a critical reading of the seemingly divided literature concerning the effects of accountability on public education.

### **The Minds of Boys: Saving Our Sons From Falling Behind in School and Life**

Showing how to help boys overcome their classroom obstacles, this guide to helping boys learn, do better in school, and succeed in life provides you with a kind of operating system that you can immediately load into your own life and your son's schooling.

### **Your MBA Game Plan: Proven Strategies for Getting Into the Top Business Schools**

Including sample essays and resumes, as well as fresh insight on 30 leading business schools, this book will guide you through the demanding application process and help you differentiate yourself in the ever-growing pool of applicants.

### **Learning Like a Girl: Educating Our Daughters in Schools of Their Own**

Describing the obstacle-ridden journey to create a new institution to serve girls first and foremost, this entertaining and inspiring book lays out what girls need to thrive through vivid stories and examples.

## [Overcoming School Anxiety: How to Help Your Child Deal with Separation, Tests, Homework, Bullies, Math Phobia, and Other Worries](#)

Filled with real-life examples as well as proven advice for working with teachers, principals, and counselors, this guide shows parents how to deal with a variety of problems and enable them to help a child cope, build confidence, and succeed in school.

## [You Can Do It!: A Guide for the Adult Learner and Anyone Going Back to School Mid-Career](#)

Whether you're going back to get a university degree or taking a few vocational or technical classes, this book will sharpen the classroom skills you need to succeed.

## [Finding the Best Business School for You: Looking Past the Rankings](#)

Offering practical insights for making wise decisions, this informative book will help prospective students cast the net more widely, think more expansively, creatively, and strategically with both short- and long-term implications in mind.
