What is the Certified Business Analysis Professional certification?

The International Institute of Business Analysis (IIBA) Certified Business Analysis Professional (CBAP) certification promotes the development and maintenance of important business analysis skills. To attain the CBAP certification, candidates must meet defined educational requirements. AgLearn provides learners with business analysis courses that allow them to obtain this professional certification, as well as keep it current. To access CBAP courses, go to the Business Certifications section of the AgLearn catalog and click on the IIBA link. To access CBAP courses, go to the *Business Certifications section* of the AgLearn catalog and click on the *IIBA link*.
