

A Diverse Work Environment is a Dynamic Work Environment!

Learn About Diversity Using AgLearn!

Diversity is common in the workplace. It brings substantial potential benefits such as better decision making, improved problem solving, as well as greater creativity and innovation. AgLearn provides the courses necessary to learn about and embrace diversity.

+ [Diversity on the Job: The Importance of Diversity and the Changing Workplace](#)

(1 hour)

This course focuses on how to leverage the diversity that exists within an organization. It defines diversity and dispels some common myths that surround the topic. This course also discusses the barriers and challenges that must be overcome in order to create a diversified working environment.

+ [Understanding Workplace Diversity](#) (5 minutes)

Differences and similarities of ethnic, cultural, and family background are only part of a comprehensive approach to workplace diversity. Here we consider additional elements that are crucial aspects of the diversity mixture in today's business world.

+ [Diversity on the Job: Diversity and You](#) (1 hour)

To understand and appreciate diversity, you must develop an understanding of yourself and the ways in which you and others view the world. This course identifies strategies to help you become aware of your attitudes toward diversity; increase your acceptance of diverse cultures, people, and ideas; and become an advocate for diversity within the workplace.

+ [Building On the Promise of Diversity](#)

This action-oriented book will help leaders and employees break out and reinvigorate the can-do spirit of making things better.

As with all AgLearn resources, these are available to all USDA employees at no cost to you!
