

Spring is Financial Literacy Season! Great Resources to Help You Get Your House in Order!

Springtime is a great time to take a look at your finances and do some clean up. AgLearn can help you refresh your knowledge or stay on the right track with your money.

Early-Career TSP, Retirement, and Financial Planning for FERS

Put money and time to work. Develop your own personal financial plan with a step-by-step guide written by a CERTIFIED FINANCIAL PLANNER. Learn how to choose investments for your TSP and other savings; which types of investments to use for short-, intermediate- and long-term goals; and how different tax-saving accounts (e.g., TSP, TSP Roth, IRAs, EE and I bonds) can help your savings grow.

Mid-Career TSP, Retirement, and Financial Planning for FERS

Evaluate your savings to see if you need to save more or change investments. You'll learn how to choose investments for your TSP and other savings; which types of investments to use for short-, intermediate- and long-term goals; and how different tax-saving accounts (e.g., TSP, TSP Roth, IRAs, EE and I bonds) can help your savings grow.

Mid-Career TSP, Retirement, and Financial Planning for FERS Special

Special FERS employees include firefighters, law enforcement officers, air traffic controllers, military reserve technicians, members of Congress, and Congressional employees. If you are in this group, this course will help you to take a good look at your savings to see if you need to make a change to your investments. Evaluate your TSP and other savings; which types of investments to use for short-, intermediate- and long-term goals; and how different tax-saving accounts (e.g., TSP, TSP Roth, IRAs, EE and I bonds) can help your savings grow.

Late-Career TSP, Retirement, and Financial Planning for CSRS Special

If you are a special FERS employee (which includes firefighters, law enforcement officers, air traffic controllers, military reserve technicians, members of Congress, and Congressional employees), this course is for you. Learn how to invest for inflation-adjusted lifetime income. Evaluate your potential retirement income to see if you need to save more. Learn how to choose investments for your TSP and other savings; which types of investments to use for short-, intermediate- and long-term goals; and how to choose withdrawals from TSP and other savings to create a tax-efficient cash flow for retirement.

Late-Career TSP, Retirement, and Financial Planning for FERS

Learn how to invest for inflation-adjusted lifetime income. Develop your own personal financial plan with a step-by-step guide and evaluate your potential retirement income to see if you need to save more. Learn how to choose investments for your TSP and other savings; which types of investments to use for short-, intermediate- and long-term goals; and how to choose withdrawals from TSP and other savings to create a tax-efficient cash flow for retirement.

Late-Career TSP, Retirement, and Financial Planning for FERS Special

Learn how to invest for inflation-adjusted lifetime income. Evaluate your potential retirement income to see if you need to save more. Learn how to choose investments for your TSP and other savings; which types of investments to use for short-, intermediate- and long-term goals; and how to choose withdrawals from TSP and other savings to create a tax-efficient cash flow for retirement. If you are a special FERS employee (which includes firefighters, law enforcement officers, air traffic controllers, military reserve technicians, members of Congress, and Congressional employees), this course is for you.

Plan Your Savings Strategy with the TSP

Plan how you will use the Thrift Saving Plan (TSP) with other "tax smart" options to build your retirement savings. This course provides interactive, self-paced, online training in the Thrift Savings Plan (Traditional and Roth), retirement, and financial planning. Get a step-by-step guide to begin a plan for saving and investing to meet your financial and retirement goals. For Traditional TSP and Roth TSP, calculate and compare tax savings on contributions, potential savings growth, and potential future after-tax monthly payments. Estimate your Federal retirement and other income sources to see if you need to save more.
