

## Get Your Required ISA Training Done for 2015

All USDA employees, contractors, partners, and volunteers are required to complete the training by March 31, 2015 (in some cases, an alternate date may be established by your agency)

The **FY 2015 Information Security Awareness (ISA)** course and assessment is available through AgLearn both on your desktop and on popular mobile devices.

AgLearn's mobile access makes it easier to get your training done!

*Note:* Network access will be removed for any employee, contractor, partner, or volunteer who has not completed the required training by the deadline, until such time as the training is completed.

### Special Training Circumstances

- **LEARNERS WITH ACCESSIBILITY NEEDS AND THOSE REVIEWING COURSEWARE WITH ASSISTIVE TECHNOLOGY:** Please follow the procedures outlined by your agency regarding whom to contact for assistance with training.
- **LEARNERS WITH SLOW DIAL-UP CONNECTION TO THE INTERNET:** you can contact your supervisor to request that the FY 2015 Information Security Awareness Training (PDF) course be assigned to your To-Do-List.
- **LEARNERS WITH NO INTERNET ACCESS:** The paper-based version of the course is **only** available to those users with no Internet access to AgLearn. Please follow your agency procedures to have the *FY 2015 Information Security Awareness Training (Paper)* course added to your AgLearn To-Do List. Follow your agency instructions on how the assessment is to be graded and the completion recorded in AgLearn.
