

IT Security KnowledgeCenter!

One-stop shopping for all your IT security needs! And as always, you can **add to your knowledge at no cost to you, 24/7!**

What is the IT Security KnowledgeCenter?

The IT Security KnowledgeCenter is a multifaceted online learning portal filled with resources for anyone who is new to IT security, wishes to increase existing skills, or aiming for certification. Materials range from books and articles to an interactive “Ask the Experts” feature. Take a tour by clicking [here](#), or click below to launch the IT Security KnowledgeCenter.

From the IT Security KnowledgeCenter, you can access the following resources:

- + "Ask the Experts" Feature: anyone preparing for an IT Security Certification can ask an expert relevant questions
- + Books Content from Books24x7, such as *A Practical Guide to Managing Information Security*
- + Featured Topics, such as *Information Security Governance*
- + SkillSoft Courseware, such as *Internet-based and Database-based Attacks*
- + Learning Roadmaps, such as *Certified Information Systems Security Professional (CISSP)*
- + Learning Sparks, such as *Identifying Security Controls*

As with all AgLearn resources, these are available to all USDA employees at no cost to you!
