

## ***Thank You for Taking the Rosetta Stone Survey!***

### ***We heard you...***

**You wanted mobile access...we made it happen!** Now, you can access Rosetta Stone on...

- Android
- iOS
- Smartphones
- Tablets

### ***It's simple and easy to access!***

To set it up on your preferred mobile device\*:

1. Go to the [Rosetta Stone Mobile Application Guide page](#) for details and installation instructions.\*\*
2. Go to [AgLearn](#)
3. Log in using your eAuth username and password.
4. From the **To Do List** in AgLearn, find the "Rosetta Stone Access Portal" item.
5. Click several times and then click "Launch" on the pop up page to launch the course.
6. The Rosetta Stone Course app launches.

*\*BlackBerry is not supported at this time.*

*\*\*This is a one-time step for the initial installation of the app on your device.*
