What is the Six Sigma Business Exploration Series?

AgLearn's Six Sigma courses in the Business Exploration Series discuss the benefits of Six Sigma in the workplace. The *Business Impacts* series includes courses such as "Basic Measurement Concepts in Six Sigma" and "Promoting Six Sigma in the Workplace". The *Challenge* series includes courses such as "Does Your Business Really Need Six Sigma?" and "Identifying Candidates for Key Six Sigma Roles". To access the Six Sigma Business Exploration Series, go to the *Business Exploration Series* section of the AgLearn catalog and click on the *Business Impact* or *Challenge Series* links.

PLEASE NOTE: This page is used to browse the catalog by Subject Area. Click the Expand icon located at the beginning of the Subject Area title to view the Subject Areas nested beneath it.

Once the icon is clicked, it will then point downward and after a few seconds, the list of courses will appear. Click the icon again and the list will collapse.

Clicking the Subject Area title alone will not expand the listing.

The screenshot shows the 'Subject Area Menu' on the left and 'Items' on the right. The 'Challenge Series' is expanded, showing a list of categories: Call Center (11), Finance and Accounting (8), Human Resources (13), Leadership (17), Management (16), Professional Foundations (29), Project Management (11), Sales (15), Six Sigma (8), and Call Center (2). An arrow points to the 'Six Sigma (8)' category. The 'Items' section contains a text box explaining the expand/collapse functionality.
