

Register to Use HRU

Background

The Human Resources University is free resource for all Federal employees that offers access to more than 100 training courses, many offered at no cost. The courses cover a range of topics that are important to Federal human resources professionals and supervisory personnel.

In order to participate in HRU course offerings, you must first register to use the site. Registration is easy and only takes a few minutes. Once you have completed the registration, please follow the instructions below to record your registration in your AgLearn Completed Work.

Registration Instructions

- Step 1)** Go to the website <http://www.hru.gov/register.aspx> to register
- Step 2)** Complete the HRU online registration form using your government email address
- Step 3)** Click the button labeled "Register"
- Step 4)** Confirm that you have registered for HRU in AgLearn. Please close this document window, and then click the "Click here to Confirm Completion".
